

# The iD Centre

*a new generation of support for engineering  
and technology based businesses*

***“Our purpose is to provide an environment  
to stimulate entrepreneurship, promote  
and develop stronger new businesses,  
generate new ideas and technology  
and create high quality jobs.”***

## Opportunities at The iD Centre

The iD Centre aims to offer your business the best start possible! We offer an exciting new approach to business support through a package tailored specifically to the needs of your company.

This enables you to hand pick from our range of options to create the business support package you need to maximise your company's growth.

## Facilities

32 Fully furnished units; Broadband internet access; Rent reductions for new businesses; Hot desk provision; Video conferencing; Digital presentation equipment including plasma screen; Free car parking; 24 hour onsite security.

The iD Centre is conveniently located on the prestigious rtc Business Park with easy access to the M1, A52 and A38.

## Location

Being situated in the East Midlands is ideal for businesses on the go! There are excellent travel links by road, rail and air.

There is easy access by road to the city centre, Pride Park, A52, A50, A38, M1, M42, M6

Derby train station is only a ten minute walk, putting you at the heart of the UK's rail network. If you need to fly, East Midlands Airport is approximately 7 miles away.

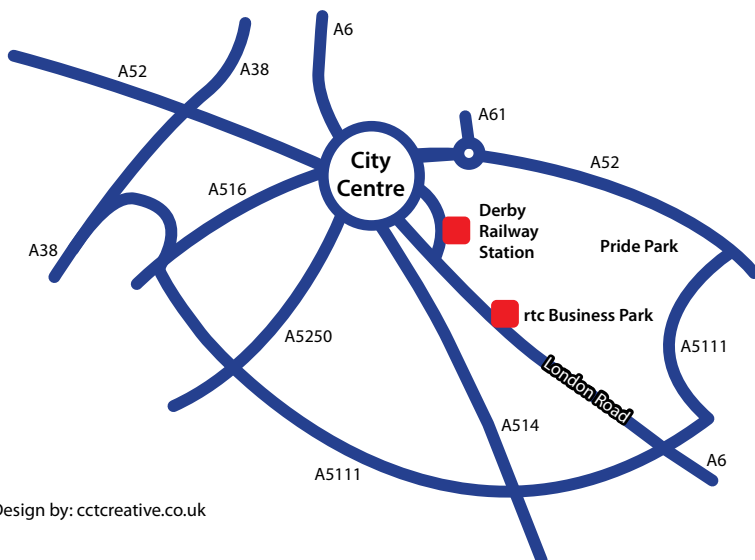

## Business Support

We offer an extensive range of business support through relationships with the University of Derby, Business Link, Chamber of Commerce and local businesses.

This support includes the following:

*Onsite business advice; Drop-in surgeries; Networking and promotional activities; Links with the University of Derby; Specialist consultants; Business mentors.*
